Vaccination Recommendation: With the large amount of horses that are living on-site at Outback, we recommend that your horse be vaccinated at least 2 weeks prior to arrival. We recommend consulting with your primary veterinarian for vaccination protocols that will fit your horse's needs. However routine vaccinations often include, Eastern, Western, West Nile, Rhino, Flu, and Tetanus.

The owner hereby releases and shall indemnify and hold Outback Equine & Embryo Transfer Center harmless from any claim, demand, or loss arising from any disease, injury, or death to stallion, mare and/or foal, and/or pregnant recipient mare and/or foal in utero. **Initial Here:** _____

FEED OPTIONS:

HAY: (Circle one) Alfalfa or Grass

GRAIN: We offer graining to our on-site stallions once daily at \$5 a day for a 3QT scoop, our facility offers three options, please circle the option you would prefer:

No grain Bluebonet Intensify Omega Force Growth & Development Senior

If your STALLION requires specific grain or supplements that are not listed above we ask our clients to bring the items needed at the time of drop off. (There will be a \$2 a day supplementation fee throughout their stay with us at Outback if using owner provided grain and/or supplements. Plus the cost of items if we have to order when supply runs low)

If using owner provided grain/supplements, please list the supplement and feeding instruction below: _____
