

Dear Affiliate Stallion Owners,

2023 is right around the corner and we are diligently working to prepare for the next season. We wanted to send out some helpful information to ensure that 2023 is the best season yet for our affiliate stallion owners!

Advertising: If your stallion is currently listed on our affiliate stallion page on our website, those listings will run through December 1st, 2022. If you plan to renew your listing in 2023, please fill out the form below and return to us by November 1st. You can send via email at outbackreproduction@gmail.com and include digital content or send via USPS. We offer seasonal web advertising to the stallions that use our facility to collect and ship out of for \$450 a year. This listing will include one photo/flyer of your choice and a brief description of your stallion, as well as appropriate contact information for contract questions and requests. This is not required; however it is something we have offered to our wonderful stallion owners.

Contracts: For 2023, Outback has made the decision to not handle contracts for affiliate/outside stallions. Contracts for affiliate/outside stallions in years past have been booked through their owners or agents directly, we decided in 2022 to offer affiliate stallion owners the chance to have our facility handle bookings, however we have found that due to the affiliate stallions not living on-site it makes it challenging to know when these stallions are available and when they are out of town competing at shows, races, etc. That being said, the owners and agents know their stallion's schedules best, so we are going back to our previous way of only handling contracts for those stallions that live on-site with us during the entire breeding season. That being said, we still plan to collect and ship for all of these great stallions! We just will not be handling the sales of stud fees and contracts.

Shipments: We provide outside and affiliate stallions the opportunity to collect and use our facility to ship out of. Our method of shipping is exclusively with FEDEX. We ship Mondays, Wednesdays, and Fridays. We **require 24-hour** notice, you, your client or your client's veterinarian **MUST** get on the books the day before. Confirm or cancel by 8am the day of shipment. We will notify you as the stallion owner/trainer/agent if you have a confirmed shipment, so you can bring in your stallion. To ensure the shipping process is smooth and efficient for all involved we have added a new step for 2023 drive through collections/shipment requests.

New this year We are asking stallion owners to send in the **SHIPMENT FORM FOR AFFILIATE STALLIONS** to our facility as they receive contacts. This form will go into your client's file and will act as a permission slip for our facility to ship semen on your stallion while also giving us all the information we will need to have a clean and easy transaction. When we get a call for semen, we can process right away. Reducing extra phone calls, etc. to verify information or permission. This form can be sent to us at outbackreproduction@gmail.com or mailed to us at: 15281 Mink Road Caldwell, ID 83607. Because we don't have copies of your contracts, this provides us with payment information, shipping information, mare information and all that we need to work diligently on busy shipping days. This form is also on our website under contracts and forms. WWW.OUTBACKREPRODUCTION.COM

We must have all information above 24 hours prior to shipment. Please make sure this form in on file with our office prior to the semen request needing fulfilled to ensure we have all information needed to ship. If the client calls for semen and we do not have this on file, we will tell them they need to call you as the stud owner first. If you manage your own contracts and your stallion uses our facility to collect, we require this request to be on the books the day before collection/shipment is needed, and to have this form turned in prior to that time -- all cancellations/confirmations must be called in to our office at 208-454-5557 before 8am Mountain Time Monday, Wednesday, Friday. All clients with drive thru stallions are required to have their stallion collected off a phantom for time and efficiency purposes. If your stallion has never been collected off of a phantom, we must know prior to arrange jump mare.
